Re: Touhy Demand
Investigation into the January 7, 2026, Death of Renee Nicole Good

Dear Ms. Moriarty and Mr. Kunz,

This is in response to your February 2, 2026 letter described as a *Touhy* Demand pursuant to the U.S. Department of Homeland Security (DHS) *Touhy* regulations at 6 C.F.R. §§5.41 et seq. and 19 C.F.R. §§ 103.21 et seq. demanding production of information, documents, and physical items from DHS components, including Immigration and Customs Enforcement (ICE), for a state criminal investigation in regard to the death of Rene Nicole Good on January 7, 2026.

We have considered your demand as a request for information under section (b)(7) of the Privacy Act of 1974 (5 U.S.C. § 552a(b)(7)), rather than a *Touhy* demand as the regulations do not apply to disclosure of official information to federal, state or local law enforcement authorities related to criminal law enforcement investigations (*see* 6 C.F.R. § 5.41). The U.S. Department of Justice (DOJ), Federal Bureau of Investigations (FBI) is leading the investigation into the subject matter of your demand and, accordingly, ICE respectfully refers your office to DOJ. We have copied the DHS Office of General Counsel and the DOJ attorneys that you copied on your letter.

Thank you.
