### **SOLICITATION/PROPOSAL REQUIREMENTS.**

Replace paragraph (b) entitled "Submission of offers" with the following instructions:

1. GENERAL. These proposal instructions are designed to provide general guidance for preparing responses as well as providing specific instructions on response organization, format, and content and evaluation under FAR Part 12. Offeror should include all documents and information in accordance with the instructions herein. Noncompliance with the solicitation requirements may hamper the Government's ability to properly evaluate the proposal and may result in elimination of the proposal from further consideration for contract award. Offerors are cautioned to follow the instructions carefully and shall present their best technical proposals and prices in their initial proposal submission, as it is the Government's intent to make an award based on initial proposals received without discussions.
2. The submission of the documentation specified below and signing of the SF1449 and any amendments shall constitute the Offeror's acceptance of the terms and conditions of the solicitation, concurrence with the Salient Characteristics, and contract type. If an Offeror believes that the requirements in these instructions contain an error, an ambiguity, omission, or otherwise deemed unsound, the Offeror shall immediately notify the Contracting Officer in writing with supporting rationale prior to the proposal due date.
3. All questions must be submitted to Contract Specialist Jessica Copare at [jessica.l.copare.civ@army.mil](mailto:jessica.l.copare.civ@army.mil) and the Contracting Officer, Sarah Jacques at [sarah.k.jacques.civ@army.mil](mailto:sarah.k.jacques.civ@army.mil) by 04 March 2026 at 3:00 pm EST. Quotes are due via email no later than 09 March 2026 at 4:00 pm EST to [jessica.l.copare.civ@army.mil](mailto:jessica.l.copare.civ@army.mil) and [sarah.k.jacques.civ@army.mil](mailto:sarah.k.jacques.civ@army.mil).
4. This is an electronic solicitation release. No hard copies will be mailed. All referenced documents for this solicitation are available on the System for Award Management website (SAM) at <https://sam.gov/>, under Contract Opportunities. It is the responsibility of each Offeror to review the website for notice of amendments, updates, or changes to current information.

  - a. Cover sheet shall contain the company's legal name and address, Cage Code, Unique Entity Identifier (UEI), and Tax Identification Number (TIN)
  - b. The name and title of the person authorized to sign and negotiate the offer
  - c. A statement that the offer is valid for at least 120 calendar days
  - d. A statement that the offer is submitted in response to Solicitation W91247-26-Q-A005
  - e. Additionally, the Offeror shall acknowledge receipt of any amendments issued to the solicitation.

6. The Government will award a Contract resulting from this Request for Quote (RFQ) to the responsible Offeror whose offer conforming to the RFQ will be most advantageous to the Government, price and other factors considered. Award shall be based on Lowest Price Technically Acceptable (LPTA). The Government may award without discussions; however, the Government reserves the right to conduct discussion if deemed in the Government's best interest. Quotes will be evaluated on price and Offeror's ability to meet the specification requirements of this RFQ.

7. Your attention is called to the RFQ closing date and time listed above. It is the Offerors responsibility to assure its proposal is received by the date and time specified in the RFQ and as revised in any amendments (if applicable). In accordance with FAR 15.208, if your quote is not received at the initial point of entry to the Government (received through web based system or e-mail) by the exact date and time specified above, it will be determined late and will not be evaluated.

## **Addendum to Evaluation - Commercial Product and Commercial Services**

### **EVALUATION FACTORS AND BASIS OF AWARD**

1. The Government intends to award to the lowest price technically acceptable response. The following shall be used to evaluate quotes:

Factor 1: Technical Acceptability

Factor 2: Price

Factor 1: Technical Acceptability - Product Descriptions: The Government will evaluate the Offerors documentation provided in order to determine if the products offered meet the descriptions/specifications requested by the Government in the Salient Characteristics. Failure to meet the specifications will render the offerors submission to be technically unacceptable.

Acceptability Factor 2: Price - Price will not be scored or rated. Offerors must have prices for each CLIN. Price schedule must be complete, accurate, and fair, and reasonable. The Government will evaluate quotes for reasonableness using price analysis techniques identified at FAR 15.4. Through these techniques, the Government will determine whether prices are fair and reasonable. Total evaluated Price - The Responders provided a total sum of all the CLINs.

a. Reasonableness. The existence of adequate price competition is expected to support a determination of reasonableness. Other price analysis techniques IAW FAR 15.404-1(b) may be used to further validate price reasonableness.

b. Options. The Government will evaluate offers for award purposes by adding the total price for all options to the total price of the basic requirement. The Government may determine that an offer is unacceptable if the option prices are significantly unbalanced. Evaluation of options shall not obligate the Government to exercise the option.

c. Total Evaluated Price. Each Quoter shall provide a total sum of all CLINS: Base year and Option Year One (1), Option Year Two (2), and Option Year Three (3).
